Transport Guide

2023-2024

Welcome

Dear Parents and Guardians,

Thank you for taking the time to look at the Lincoln Minster bus service. This is the inaugural version of the guide, which sets out the wide range of travel options from home to School available to the pupils at lincolnminsterschool.vectare.co.uk.

From July 2023, Lincoln Minster School has partnered with Vectare, a specialist school transport management company, to assist with home to school bus service. All bookings for our school bus routes will now be made via our online booking system, and can be accessed at lincolnminsterschool.vectare.co.uk. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

This guide provides an overview of the school bus service network and contains further details including fare and timetable information. All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a school bus, you can make a booking right up until the bus is due to depart. Ad hoc bookings on the service are only available where there is spare capacity as priority is given to passengers who have a full return booking.

Other amendments and changes can also be made via the 'My Account' section on the website. If you need any further assistance, please contact us via the bookings website at lincolnminsterschool.vectare.co.uk and we will be pleased to assist. I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

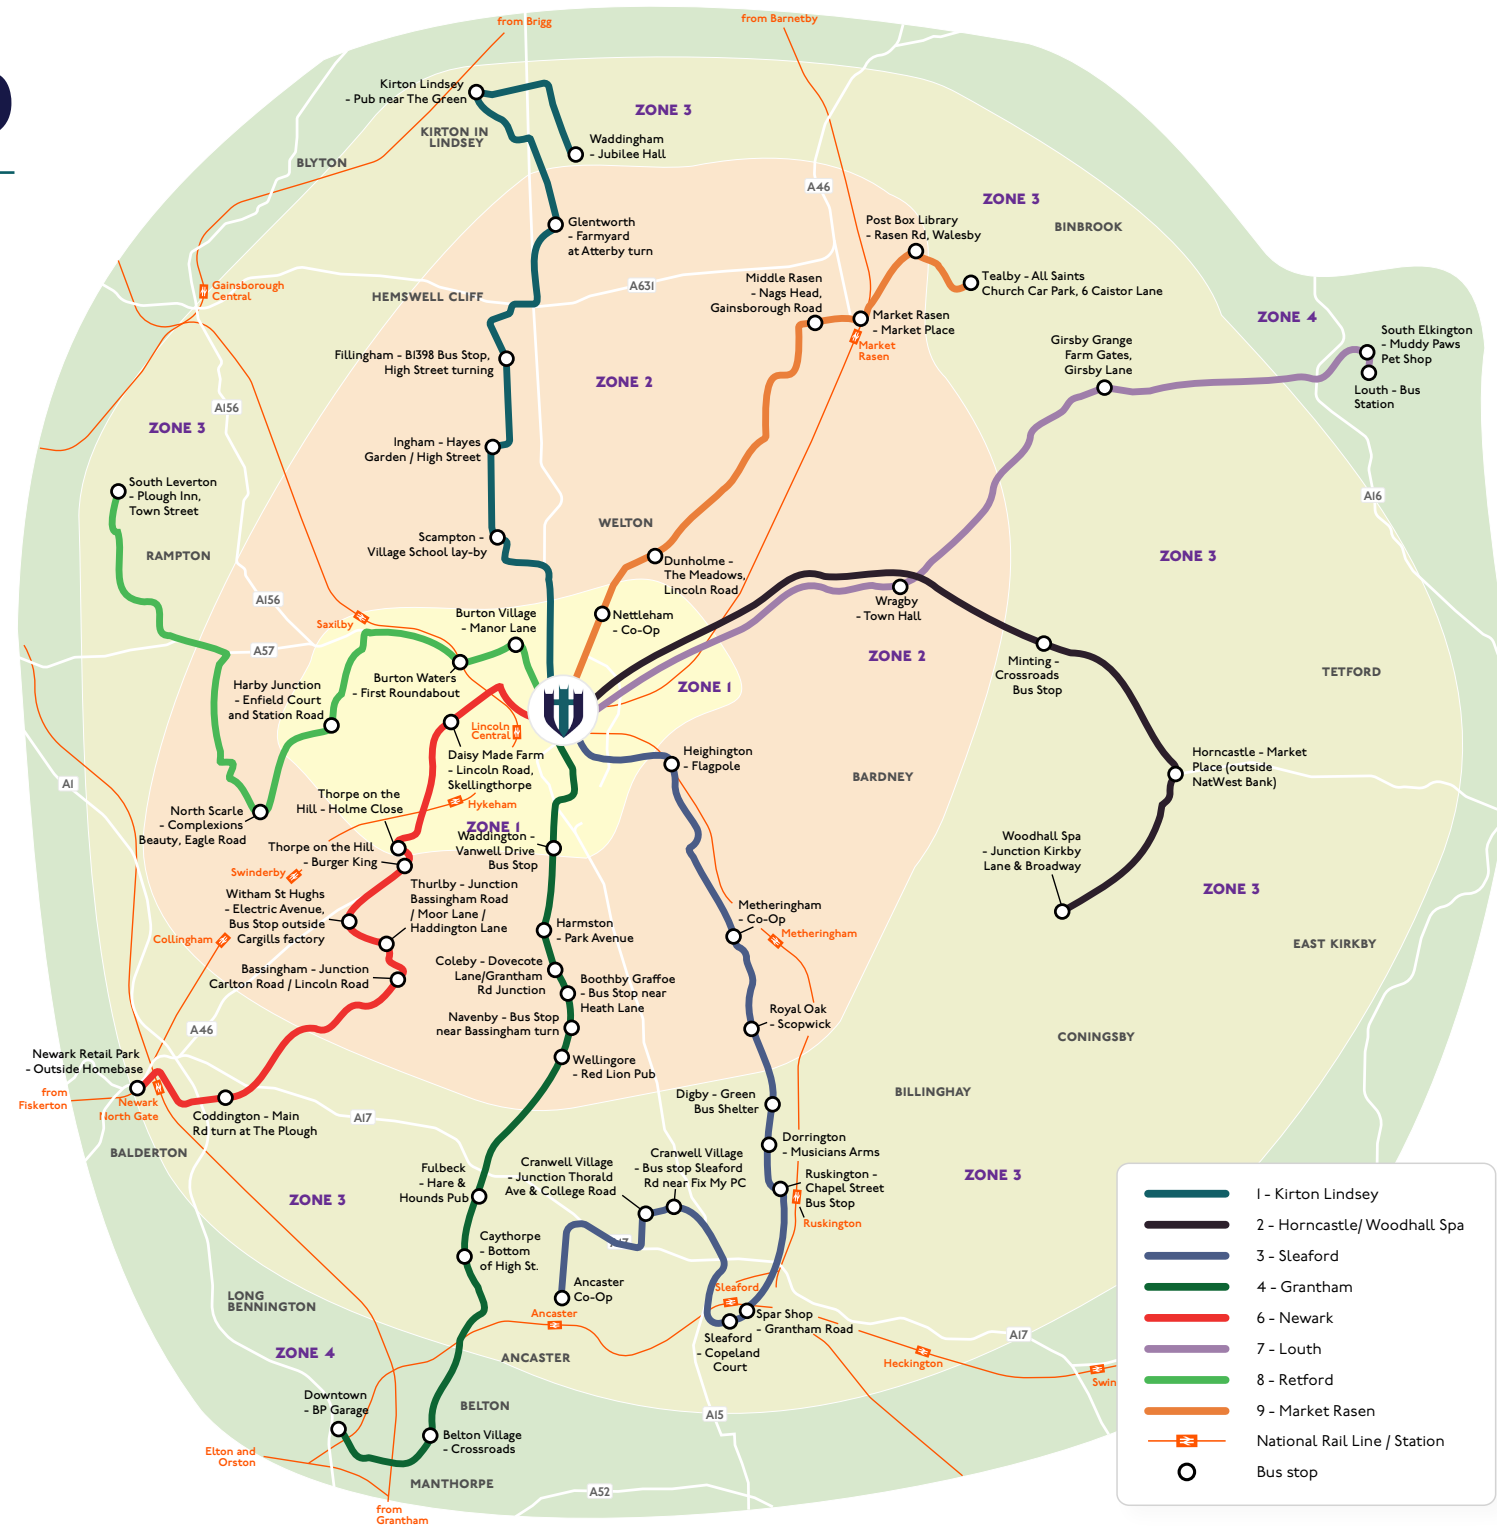

Yours sincerely,

Transport Team
